Tips and Tricks for MS- Handout only – Participants will learn about organization, communicating with teachers, and how to get help through practical tips and tricks for a positive start in all middle school courses.

Web and Character Strong- Both are Social Emotional Learning Curriculums. Web is 6th grade specific, while Character Strong has a focus for each grade level in middle school. Amy Tuckwell, Math Teacher and WEB Coordinator and Tracy Austin , ELA Teacher

Technology and Post School Systems 101 – Walk through Google Classroom and Skyward while learning about middle school grading, assignments, homework, and student email. This will help you gain an understanding of how to support your student with assignments, materials, and how to access work if gone from school. Chris Beifuss, ELA Teacher and Josh Thayer, School Counselor

Sports, Activities, Electives and More – Come hear about elective classes, sports, clubs and self advocacy strategies to support your student. Chelsea Hussey, ASB/Leadership and Math Teacher and Nicole Egholm, School Counselor

Q&A for Parents and Students with IEPs- An opportunity to ask questions about how students with IEPs are supported through a variety of programs and approaches at Post Middle School. Amy Williams SPED Teacher

Middle School Social/Emotional/Behavior Ins and Outs – Tips for students and parents about social/emotional/behavioral expectations. This will include conversations about social media, cell phones, bullying, dress code, problem solving, passing periods, expectations, and discipline processes. Paul Dobberfuhr Assistant Principal and Leslie Olson Principal

Tour of Post Middle School Building – Come and walk the campus on a tour of Post Middle School that is led by our leadership students. ASB/Leadership Students
